

At Tower Hamlets GP Care Group we offer a range of valuable employee benefits.

Salary sacrifice schemes

We operate a number of Salary Sacrifice benefits. This means that you agree to give up part of your salary in exchange for a benefit. The Salary Sacrifice is taken from your gross salary [before tax] which means that you will pay less Income Tax and less National Insurance. This makes the schemes a very cost effective way to purchase these benefits.

The schemes we currently offer:

Bicycles

Visit the website for more details. The employer code is: cbc7a9
