

Tower Hamlets GP Care Group operates the The NHS Employment Check standards. In addition to being good employment practice, the standard enables us to demonstrate our compliance with relevant fundamental standards of the regulations we must comply with as part of our Care Quality Commission registration.

The following are required:

#### IDENTITY CHECK

- two forms of photographic personal identification and one document confirming your address

OR

- one form of photographic personal identification and two documents confirming your address

#### RIGHT TO WORK

- Evidence of right to work in the UK [passport will usually be acceptable for this purpose but also see guidance]

#### PROFESSIONAL REGISTRATION

- Evidence of current professional registration [ideally current registration card including the pin number]

#### DISCLOSURE & BARRING CHECK [DBS]

- The original of the most recent DBS check. If the candidate is offered a post a new DBS will be requested and they will be invited to provide the relevant documentation at the time.

#### HEALTH ASSESSMENT

- The candidate must provide an email address that can be used for the occupational health online screening. This will only be used if they are offered the job.

#### REFERENCES

- Referees provided on the application will usually be contacted prior to interview, unless the candidate has stated otherwise.
